Dear Committee Member,

It's with pleasure that I recommend to you Savannah Murrell. I have known Savannah for the past three years as her Co-op teacher and FBLA advisor and can say with confidence that she is a well rounded, kind, and impressive student who will be a wonderful addition to any organization.

Savannah is a Business Pathway student here at Barren County High School who has also been accepted into the WKU Early College for Business, a selective program that allows juniors and seniors to take college level courses with the ability to earn up to 60 hours of college credit. The program requires students to be independent, self-motivated and intelligent and Savannah is just such a person.

Savannah is an active member of FBLA. In addition, she is a pathway completer making her eligible for her co-op placement at Hornet Corporation. Students who co-op are given a great deal of trust and are required to be effective communicators. Savannah is fantastic at reaching out to school personnel to let us know when she won't be at work and is always one of the first to turn in her timesheets. It's this type of communication, initiative and attention to detail that will make her successful as she transitions into post-secondary education and the workforce.

It is without hesitation that I encourage you to select Savannah Murrell. If you have further questions for me, please contact me at amanda.wright@barren.kyschools.us or 270-651-6315.

Sincerely,

Amanda Wright
