To Whom It May Concern:

It is with great pleasure that I am writing this letter of recommendation for Savannah Murrell. I have had the privilege of knowing Savannah for the past 5 years. During this time, I have been allowed the privilege of being her volleyball coach. In the past several years, I have seen so much growth, maturity, and leadership from this young lady. She has a tremendous work ethic, is highly motivated, and is a team player. She is a part of the Advanced Placement and Dual Credit Program, the Magnet Program, and is a WKU Early College Student.

Savannah is a true leader. While maintaining a high grade point average and participating in sports, she has founded and manages a photography business (Savannah Murrell Photography), works as an assistant at Hornet Cooperation, volunteers at volleyball youth camp, school functions, community events, church events, and she offers her assistance to anyone in need. She gives 110% in every aspect of her life and always has a grateful heart.

Savannah is very disciplined and organized. She works very hard to see that things are completed as they should be and in a timely manner. She takes pride in all her work and goes above and beyond what is necessary. She has leadership skills that are remarkable and she can get others to do what is needed, all while being their biggest supporter. She is a wonderful role model for younger girls, and I see great things in her future.

In closing, I must say that I feel confident that Savannah Murrell would be an excellent candidate for any scholarship opportunity or work opportunity within any organization. She will take any given opportunities and use them to serve the greater good. She is an asset to our community and will be a strong leader in the future.

Sincerely,
